## REPORTS ON ACTS OF PIRACY AND ARMED ROBBERY AGAINST SHIPS

### Issued monthly – Acts reported during May 2009

1 In pursuance of the Maritime Safety Committee's instruction to the Secretariat to issue monthly reports of all incidents of piracy<sup>1</sup> and armed robbery against ships<sup>2</sup> reported to the Organization and, in addition, to issue, on a quarterly basis, composite reports accompanied by an analysis, on a regional basis, of the situation and an indication whether the frequency of incidents is increasing or decreasing and advising of any new feature or pattern of significance, the annex hereto provides, in the tabulated format agreed by the Committee, the summary of reports on incidents received between 30 April and 31 May 2009, including a distinction between acts of piracy and acts of armed robbery against ships (annex 1) and attempted attacks (annex 2). Further and as instructed by the Committee (MSC 75/24, paragraph 18.41), the Secretariat has, since July 2002, started classifying separately any reported incidents of piracy and armed robbery **at sea** (international or territorial waters) *vis-à-vis* acts of armed robbery allegedly committed **in port areas**, as well as **attempted** acts of armed robbery.

2 The total number of acts of piracy and armed robbery against ships so far reported to the Organization is 5,026, an increase of 48 since 30 April 2009.

3 Previous incidents reported to the Organization since the fifty-ninth session of the Committee have been circulated by various MSC circulars, those issued (on an annual, quarterly and monthly basis) during the previous twelve months and up to 30 April 2009 being MSC.4/Circ.120, MSC.4/Circ.121, MSC.4/Circ.122, MSC.4/Circ.123, MSC.4/Circ.124, MSC.4/Circ.125, MSC.4/Circ.126, MSC.4/Circ.127, MSC.4/Circ.128, MSC.4/Circ.129, MSC.4/Circ.130, MSC.4/Circ.131, MSC.4/Circ.132, MSC.4/Circ.133, MSC.4/Circ.134, MSC.4/Circ.135 and MSC.4/Circ.136.
